## Daily Genesee Career Institute (GCI) Schedule

- 1st Session 7:00 - 8:45 a.m.  
 2nd Session 8:50 - 10:35 a.m.  
 3rd Session 12:05 - 1:50 p.m.

## Articulation Agreements/College Credit

Fenton Area Public Schools has articulation Agreements with Mott & Oakland Community Colleges.

Articulation agreements means students can save time and money by earning college credit while in high school.

Examples include:

BMA 1 = BUSN 1212 Windows Desktop @ Mott

BMA 1 = OISY 101 Keyboarding @ Mott

Accounting 1 = ACTG 101 Applied Accounting at Mott

CAD Architectural 2 = CADD 110 @ Mott

CAD Mechanical 2 = CADD 100 @ Mott

## Transportation Information

Transportation is available for students attending Genesee Career Institute. Pick-up and drop-off times are available by contacting the FHS Main Office at (810) 591-2600.

Transportation questions—please call GCI at (810) 591-4225.

Dear Parent/Guardian:

It is our pleasure to welcome you to Fenton High School . As parents of high school students we know you are anxious to help your son or daughter find success in his/her academic and extra-curricular endeavors. Often times that includes coursework in the area of Career & Technical Education.

Career and Technical Education, also known as vocational education, offers courses and programs that introduce students to career choices. It is a great opportunity for your child to gain experience and training in business, design, technology, healthcare, and much more.

Let your child know:

- Career & Technical Education prepares you for a bright future. It provides hands-on experience in careers that you can't get in regular high school classes.
- It teaches important skills, such as communication, teamwork, leadership, and goal setting, that can help you succeed in a job.
- It helps save money on college tuition and certifications. You can earn college credit or work-related certifications while still in high school.
- You get to learn from experts. Career & Technical Education instructors are industry professionals with real job experience who teach using the latest equipment and technology.
- You can earn internships and get work place experience through Career & Technical Education. These make it easier for you to land a good job.
- It can help you do better in school. Learning real-world skills will keep you excited about school and motivate you to do well.

Explore many of the Career & Technical Education offerings available to your child while enrolled at Fenton High School.

Sincerely,

Laura Lemke

CTE Director/Assistant Principal
